## **e-STUDIO 307LP**

The e-STUDIO307LP is an award winning MFP and is the first to incorporate a unique erasable toner enabling the output to be erased and re-used multiple times. By reducing paper consumption, not only means lower cost but a smaller, more eco friendly carbon footprint.

### **Highlights**

- Toshiba's unique erasable toner, allowing the user to erase printed paper by up to 5 times.
- Reduce paper wastage by up to 80%
- Reduce carbon emission by up to 50%

### **Optional Features**

- Up to 2 lines High Speed Fax
- Stapling and booklet making
- Up to 4 x 550 sheet trays or Large Capacity Feeder (2000 sheet)
- Wireless
- Erasing unit e-STUDIO RD30
